If, after notification of default, the vendor fails to remedy the state's damages within ten (10) working days, the state purchasing agent/official may initiate procedures for collection against the vendor's performance security.

In order to achieve the greatest economy for the state, the state purchasing agent/official may choose the next highest ranked bidder, readvertise for bids, negotiate a purchase, or complete any other action consistent with the purchasing laws. The performance security will be released at the end of the contract term.

### TERM AWARD TERMS AND CONDITIONS

1. **GENERAL:** All terms and conditions stated in the invitation for bid govern this contract.
2. **PRICES:** Prices are firm and not subject to escalation, unless otherwise specified in the invitation for bid.
3. **DISCOUNTS:** All cash discounts offered will be taken if earned.
4. **TAXES:** Most state agencies must pay state sales tax. Before billing, the contractor should contact the ordering agency to find out if that agency must pay sales tax. Itemize state sales tax when applicable on invoices.
5. **BRAND NAME REFERENCES:** The contractor guarantees that the commodity delivered is the same as specified in the bid.
6. **GUARANTY:** All items delivered are to be newly manufactured, in first- class condition, latest model and design, including, where applicable, containers suitable for shipment and storage unless otherwise indicated in the bid invitation. The contractor guarantees that everything furnished hereunder will be free from defects in design, workmanship, and material; that if sold by drawing, sample or specification, it will conform thereto and will serve the function for which furnished. The contractor further guarantees that if the items furnished hereunder are to be installed by the contractor, such items will function properly when installed. The contractor also guarantees that all applicable laws have been complied with relating to construction, packaging, labeling, and registration. The contractor's obligations under this paragraph shall survive for a period of one year from the date of delivery, unless otherwise specified in the invitation for bid.
7. **AWARD:** This contract award does not authorize shipment. Shipment against this contract is authorized by the receipt of a purchase order from the ordering agency. A written purchase order mailed or otherwise furnished to the contractor results in a binding obligation without further action by either party.
8. **DELIVERY:** The term of the contract is shown on the face of the contract award. The contractor is required to supply the state's needs during this term. The number of days required to place the commodity in the receiving agency's designated location under normal conditions is also shown. Consistent failure to meet delivery without a valid reason may cause removal from the bidders' list or suspension of eligibility for award.
9. **BACK ORDERS OR DELAY IN DELIVERY:** Back orders or failure to deliver within the time required may be default of the contract. The contractor must give written notice to the Office of State Procurement and ordering agency of the reason and the expected delivery date. If the reason is not acceptable, the contractor is in default. The Office of State Procurement has the right to extend delivery if reasons appear valid. If the date is not acceptable, the agency may buy elsewhere.
10. **DELIVERY REQUIREMENTS:** No substitutions or cancellations are permitted without written approval of the Office of State Procurement. Delivery shall be made during agency work hours only, 8:00 a.m. to 4:30 p.m., unless prior approval for other delivery has been obtained from the agency. Packing memoranda shall be enclosed with each shipment.

Any delivered but unpaid for goods will be returned in normal condition to the contractor by the state. If the state is unable to return the commodities in normal condition and there are no funds legally available to pay for the goods, the contractor may file a claim with the Arkansas Claims Commission.
